movies and decorate my house.

What was your favorite childhood memory? Going to my Grandpa's cottage in Wisconsin to swim, fish, go on Jeep rides and pick blackberries.

What do you like most about living in Bonaire? I love the sense of community in Bonaire and the friendliness of the people here. It's a great place to raise a family and establish a business. We have a very active and supportive Chamber of Commerce to help businesses grow.

What is an accomplishment you are most proud of? I am most proud of achieving the successes in my life through hard work, determination and the courage to take risks and try something new.

What was your favorite subject in school? Psychology.

What's it like having a professional organizing business? It's a new challenge every day, but the basic organizing concepts are the same no matter what you're organizing. Working with both residential and business clients keeps it interesting, too. The biggest challenge is managing the business and learning how to do everything from designing my Web site to developing and executing a marketing plan. I have always been organized and loved finding better ways to do things.

What's a lifelong dream of yours? I always wanted to travel and experience other cultures, and I took my first trip to Europe last year!

What characteristics do you admire most in a friend? Honesty, acceptance, sense of humor and reliability.
